PENNSYLVANIA SUPREME COURT RULING:

The Supreme Court ruled in February, 1988 that the Dodge City Poker complies with Pennsylvania State law and is legal.

It has NO KNOCK-OFF, NO BOOKKEEPING, NO BOARD ADJUSTMENTS, NO NONSENSE!

Dodge City™ is the only card game manufactured within Pennsylvania. So, don't be confused by games that resemble the Merit "Dodge City"™... *THERE'S ONLY ONE!*

Again, you can have games on the premises which are completely void of legal hassles while still earning your usual high profits.
